

Revisions to S.2590

to Address Concerns About Subaward Reporting

- **Proposed a pilot program for subaward reporting;**
- **Added a study on how best to implement a government-wide program to collect and report subaward data;**
- **Added provisions to minimize the burdens to grantees and contractors of reporting subaward data;**
- **Delayed the requirement of subaward reporting from mid-2007 to 2009.**
